Procedure Overview

We will treat any allegation of child harm or risk of harm seriously and with a high degree of sensitivity.

Everyone associated with SA Barrel Horse Association Incorporated (SABHA) in any capacity has a duty to report any concerns to the appropriate authorities, following the steps outlined below.

Step 1: Receive the allegation

If a child or young person raises with you an allegation of child harm or risk of harm that relates to them or to another child, it is important that you listen, stay calm and be supportive.

Do	Don't
Make sure you are clear about what the child has told you	Do not challenge or undermine the child
Reassure the child that what has occurred is not his or her fault	Do not seek detailed information, ask leading questions or offer an opinion.
Explain that other people may need to be told in order to stop what is happening.	Do not discuss the details with any person other than those detailed in these procedures.
Promptly and accurately record the discussion in writing.	Do not contact the alleged offender.

Step 2: Report the allegation

- Immediately report any allegation of child harm or risk of harm, or any situation involving a child at risk, to the police and/or the relevant child protection agency. You may need to make a report to both.
- Contact the relevant child protection agency or police for advice if there is **any** doubt about whether the allegation should be reported.
- If the allegation involves a person to whom this policy applies, then also report the allegation to the SABHA President so that he or she can manage the situation.

Step 3: Protect the child and manage the situation

- The President will assess the immediate risks to the child and take interim steps to ensure the child's safety and the safety of any other children. This may include redeploying the alleged offender to a position where there is no unsupervised contact with children, supervising the alleged offender or removing/suspending him or her until any investigations have been concluded. Legal advice should be sought before any interim steps are made if the person is an employee of SABHA
- The President will consider what services may be most appropriate to support the child and his or her parent/s.
- The President will consider what support services may be appropriate for the alleged offender.
- The President will seek to put in place measures to protect the child and the alleged offender from possible victimisation and gossip.

Step 4: Take internal action

- At least three different investigations could be undertaken to examine allegations that are made against a person to whom this policy applies, including:
 - a criminal investigation (conducted by the police)
 - a child protection investigation (conducted by the relevant child protection agency)
 - a disciplinary or misconduct inquiry/investigation (conducted by SABHA).
- The SABHA President will assess the allegations and determine what action should be taken in the circumstances. Depending on the situation, action may include considering whether the alleged offender should return to his or her position, be dismissed, banned or suspended or face other disciplinary action.
- Where required we will provide the relevant government agency with a report of any disciplinary action we take.
